

Dear AMEN Members and Guests,

On behalf of the officers at A.M.E.N. we would like to thank you for your patience while we planned the conference program. We have a very exciting program planned; we are confident you will find it educational, stimulating, and FUN! **We will present criteria for our new medical esthetic certification program** and are pleased to announce, that with the help of Esthetic Skin Institute we are able to offer you **8 CE's for attending the 3rd Annual AMEN conference.**

This meeting will be one of the most important meetings you will attend this year. If you are already in a medical esthetic practice or are planning to get into one, it is critical that you attend. As many of you already know from our previous emails, there is a move by the Dermatology community to restrict or inhibit our practices. This meeting will be instrumental in strategizing our futures. **We need your attendance, support, and commitment. We must take control of our career future.**

We have planned presentations and live demonstrations of advanced procedures in **Dermal Fillers** and **Botox® (Botulinum Toxin A)**. We will be introducing the new treatment modality "**CarboxyTherapy**" which **originated in Italy** and is used for many applications from facial esthetics, cellulite, to wound healing. You will be able to preview the amazing "**Regenique**" procedure which is an advanced micro-current and ultrasound treatment that is gaining popularity across the US. **Learn how to sculpt facial fat** (eye bags and double chins) with **Mesotherapy**. You will also receive handouts and CD's loaded with beneficial practice information. All these jam packed in one day to help you build and enhance your practices as well as get continuing education credits.

The **third meeting of the association** will be held on **July 16, 2006** in Chicago, Illinois at the: **Westin Michigan Avenue; 909 Michigan Avenue, Chicago, Illinois 60611**; Ph: 312-942-7200

We have coordinated special room rates for **AMEN members at \$189.00 per night; reservations MUST be made by June 15th, 2006.** To make room reservations you may call: (888) 627-7213; please let them know you are with AMEN. **Please Note:** We will be having a **Pre-Conference Social** on Saturday **July 15th** in the **Hotel Lounge/Grill on the Alley**, between 7:00Pm – 8:30Pm. **Come and network - ALL ATTENDEES ARE WELCOME!**

Please complete your registration early and take advantage of this opportunity to network, get information from vendors on products and equipment, enhance your knowledge in medical esthetics and learn the latest trends and issues concerning our future. We need you to commit to this very important conference. **YOUR FUTURE DEPENDS ON IT!!!!**

We look forward to seeing you on July 16th.

Warmest Regards,

President

If you would also like to attend the Anti-Aging Convention and take advantage of their early bird registration please call Heidi Pepper at The American Academy of Anti-Aging Medicine directly at her office at 561-997-0112 or on her cell at 561-212-4788.
